LEARNING PROGRESSIONS: PATHWAYS TO SUCCESS  
EXTENDED SESSION 3C-4C  
MONDAY, MARCH 6, 2017 2:00-4:45 PM

2017 MISSOURI LEARNING FORWARD  
SHOW-ME CONFERENCE  
MARCH 5-7, 2017

---

Dear Session Attendee,

I am looking forward to seeing you at the 2017 Show-Me Professional Learning Conference.

Here are links to some short videos that highlight the Learning Progression concept. Viewing any or all of these videos will help establish a mind-set for the information that I will be addressing in Monday's session.

---

**1. [Creating Learning Progressions](#)**

By Thomas Brandt 3:07 minutes

Published on Jan 17, 2013

A screencast of W. James Popham's 4 Steps to creating Learning Progressions. Popham, W. James. Transformative Assessment. Association for Supervision and Curriculum Development. Alexandria, VA. 2008

**2. [Using a Learning Progression to Help Students Work Towards Clear Goals \(K-2\)](#)**

By The Teachers College Reading & Writing Project 11:35 minutes

Published on Jan 8, 2013

Using a Learning Progression to Help Students Work Towards Clear Goals as they Lift the Level of Their Information Writing (K-2)

**3. [Learning progressions in Lockerman Middle School](#)**

By Maryland Formative Assessment 3:39 minutes

Published on Feb 1, 2016

---

Just a note: Video #1 includes a reference to the book **Transformative Assessment in Action** by James Popham. I will be giving a copy of this book away to one of this session's attendees as a door prize.

I will have paper copies of session handouts available on Monday as well as a link for electronic copies of all handouts. You are welcomed to bring your electronic devices – laptops, chrome books, or tablets if you prefer to access these resources electronically (pending venue wireless capability).

I look forward to working with all of you on Monday afternoon. If you have any questions, comments, or concerns, please feel free to use the email address included in this letter to contact me,

Sincerely,  
Dr. Suzy Cutbirth
